

Code of Conduct for Parents, Carers and Visitors

At our school – we want to build good relationships within the whole of our school community – that includes parents, staff and pupils. The key to a happy school is one where everyone feels respected and valued. To this end we have an agreed Code of Conduct for parents, carers and visitors.

- Follow the school's signing in and out procedures for visitors
- Respect school staff and support them in the things they do to help children learn
- Set a good example by behaving appropriately and not using inappropriate language
- Ask the school about their view on incidents so that you can determine if it is the same as your child's view before taking things further
- Ensure that your child knows how to behave in school and towards others
- Ask the school for help if you need more information about something or do not understand something the school is doing
- Follow social distancing and sanitation procedures

In order to have a peaceful and happy school environment – parents, carers and visitors must not:

- Disrupt classes or any area of the school
- Question decisions made by the school in front of the children
- Use loud or rude language; swear or show temper
- Threaten to hit/push staff, other parents or carers
- Deliberately damage or destroy school property
- Criticise school staff, pupil or other parents and carers – on school premises or on social media sites
